KEY BENEFITS

- Thymoquinone delivers potent anti-inflammatory properties
- Supports healthy immune system modulation
- Traditional Ayurvedic remedy backed by modern research
- Promotes respiratory and digestive health

KRILL OIL

OMEGA & HEART HEALTH

Superior Phospholipid Omega-3 Source

COMPOSITION Antarctic Krill Oil Softgel Capsules rich in Phospholipid-bound Omega-3, EPA, DHA & Astaxanthin

PACK SIZE 10 x 1 x 10 Softgel Capsules

KEY BENEFITS

- Phospholipid-bound omega-3 for superior bioavailability
- Natural astaxanthin provides built-in antioxidant protection
- Supports heart health and healthy cholesterol levels
- Promotes joint comfort and flexibility

WORK WITH US

From brief to first dispatch in 6–12 weeks.

Most private-label engagements move from signed brief to first commercial dispatch within 6–12 weeks. We support custom packaging artwork, regulatory dossier compilation for export markets (GCC, ASEAN, EU), and ongoing batch supply at MOQs that scale with your demand.

TYPICAL ENGAGEMENT TIMELINE

Week 1–2	Brief, formulation review, raw material sourcing alignment
Week 3–5	Pilot batch, sensory & visual sample dispatch, packaging finalisation
Week 6–8	Stability initiation, regulatory dossier compilation
Week 9–12	Commercial production, QC release, dispatch
